

MAGICAL MALABRIGO SCARF

BY CHRISTINE LONG DERKS, THE TREASUREGODDESS

Needle: Size 11 US (8 metric) straight or circular needles or a size you need.

Yarn: Worsted by Malabrigo 1.5 skeins or other soft merino worsted yarn approx. 300-320 yards (100 g skein has 210 yards/192 meters) Blue scarf was Malabrigo in Emerald Blue colorway, Orange was Mooncake Yarn in colorway Tranquility.

Gauge: approx. 3.5 stitches/inch in garter stitch. Gauge is not too important for this project, just work with a needle that gives you a nice fabric.

Finished Size: approx. 6.5" wide by 64" long, depending on blocking

KEY

	Knit
O	Yarn Over
/	Knit 2 Together

Kettle dyed and hand painted yarns get lost in most lacy patterns. This **MAGICAL** lacy pattern has two entirely different looks when lightly blocked or not blocked at all. What a great way to show off the colors of your yarn while wrapping yourself in soft merino wool! Pattern looks complicated, but is easy-peasy!

Cast on 26 stitches **LOOSELY** (use larger needle if necessary).
Knit every stitch for 6 rows (3 garter stitch ridges).

www.TreasureGoddess.com

MAGICAL ROW:

Knit 3 stitches, *(Yarn Over, Knit 2 Together, Knit 1), repeat from * across to last 5 stitches, end row with YO, K 2 Together, Knit 3.

Repeat Magical Row until scarf is about 1 inch less than desired length.

Knit every stitch for 6 rows (3 garter stitch ridges).

Bind off **LOOSELY** (use larger needle if necessary).

Weave in ends. For a very lacy look, block into larger shape. For a more textured and dense look, lightly block into shape and let dry flat.

To make scarf wider or thinner, either add or decrease cast on number by multiples of 3 stitches
(for example, cast on 20 or 23 stitches for skinnier scarf)
